

HAMPTON, PHOEBUS AND OLD POINT—Continued.

HAMPTONIANS READY FOR THE EXPOSITION

Association Formed and Named
and Members Are Hard at
Work Advertising Town.

MAIN CHANCE NOT TO BE MISSED

Bureau of Information to be Estab-
lished and Visitors Will be Shown
all the Points of Interest—Steam-
boat to be Used to Bring Strangers
to the Hustling City.

"The Hampton Advancement Asso-
ciation" is the name selected for
the organization to advertise the
town during the Jamestown expo-
sition.

The board of directors of the organ-
ization met last night and unanim-
ously selected the above name.

The directors also named a com-
mittee, made up of Dr. G. K. Vander-
sliepe, Colonel William Thompson, Dr.
Walter A. Pleecker, Mr. John W.
Rowe, and Mr. M. C. Armstrong, to
select a lot upon which will be erected
a building to be used as a bureau of
information during the exposition and
this committee will also look into the
advantage of purchasing a steamer
for the organization.

The committee deferred the elec-
tion of a president until a later meet-
ing of the board of directors.

Colonel William Thompson, the
vice-president, presided over the
meeting, and the members present
were Messrs. J. M. Cumming, C. E.
Cheyne, W. W. Woodward, J. F.
Rowe, W. E. Lawson, J. W. Rowe,
M. C. Ransome, Dr. W. A. Pleecker
and Dr. G. K. Vanderalsiepe.

Colonel Thompson submitted the
report of the special committee named
to draft a suitable prospectus for the
organization. The committee recom-

mended that the organization be
known as the Hampton Advancement
Association, and that body be chartered
under the laws of Virginia.

It further recommended the erec-
tion of a suitable building for a
bureau of information and that a
steamer be chartered to transport
visitors from the Jamestown expo-
sition to Hampton. It is estimated
that one in every 50 persons visit-
ing the exposition will desire to
come to Hampton, which is the oldest
English speaking settlement in the
United States. It is also estimated
that each visitor to the town will
spend at least \$1 and when the total
number is figured out it will be seen
that much money will be brought
here, besides the untold amount of
advertising the town will secure.

Knights of Old.

The knights of the days of chivalry
were so well protected by their armor
that they were practically invulnerable
to all ordinary weapons. Even when
dismounted they could not be injured,
save by the misericorde, a thin dagger,
which penetrated the chain of the ar-
mors. In more than one battle knights
fallen from their horses could not be
killed until their armor had been broken
up with axes and hammers.

He Had Been Treated.

Old Lady (compassionately)—Poor
fellow! I suppose your blindness is in-
curable. Have you ever been treated?
Blind Man (sighing)—Yes, mum, but
not often. "Tain't nuffin as likes to be
seen goin' into a public house with a
blind beggar."—London Tit-Bits.

Love.

Love does not ask for perfection; it
asks only for its own. You cannot pro-
pitiate it with gifts or satisfy it with
all virtues. If you cannot pay it back
value for value in its own coin, and if
this tribute be paid it will forgive ev-
ery weakness. Woman's Life.

A Rich Personality.

We should make a rich personality
our great aim instead of a fat pocket-
book. If the aim is directed toward
the pocketbook the head will suffer,
the heart will starve, and the life will
deteriorate.—Success Magazine.

Fresh Country Eggs.

If you want fresh eggs for your
faster morning breakfast we will have
them today. They are absolutely
fresh and not those that have been
it.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR

Regular Price \$8.50 per pair. To introduce We will sell You a Sample Pair for Only \$4.80 (CASH WITH ORDER \$4.65)

NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
